MAXGRIP LITE 4 PISTON ALUMINUM CALIPER DISC BRAKE KITS

For Mopar A, B & E, C Body Cars

Upgrade your classic Chrysler, Dodge and Plymouth brakes with LEED Brakes' MaxGrip Lite 4 Piston Aluminum Disc Brake Kits.

Kits available as:
Spindle mount | Complete manual | Manual to power | Power to power

Direct bolt-on kits are specifically engineered to mount to your factory drum brake spindles and fit into most factory Mopar 14-inch wheels.

Discover the unparalleled safety, reliability, and performance of disc brakes. The powerful MaxGrip Lite 4 Piston Aluminum Calipers, coupled with the superior MaxGrip XDS Rotors, offer unmatched stopping power in comparison to antiquated drum brakes.

Base Level Kits:
FC2004SMX - A Body Mopar
FC2005SMX - B & E Body Mopar
FC2006SMX - C Body Mopar

Pricing starts at \$1704.95
